Q 1. What is the difference between a master carton and a retail carton?

A Master carton is a large box used for shipping multiple retail cartons. It is designed for easy handling and stacking. Retail cartons are smaller boxes designed for individual product sale and display.

Q 2. What are the advantages of using a master carton?

A Master cartons offer several advantages, including: 1. Space efficiency: They allow for more products to be shipped in a single container. 2. Protection: They provide an extra layer of protection for the individual retail cartons. 3. Cost savings: Shipping in master cartons is generally more cost-effective than shipping individual retail cartons.

Q 3. What is the minimum order quantity (MOQ) for your products?

A The minimum order quantity (MOQ) for our products varies by item. For most items, the MOQ is 7-15 units. For OEM products, the MOQ is typically 30-35 units.

Q 4. What are the shipping options available for your products?

A We offer several shipping options, including air freight, sea freight, and express shipping. We can also provide logistics support for international shipments.

Q 5. What are the payment terms for your products?

A We accept payment via bank transfer, credit card, and PayPal. For large orders, we can also offer trade credit terms. We also offer OEM services for custom packaging and branding.

Q 6. What are the certifications for your products?

A Our products are certified by BV, FDA, LFGB, and CP65, ensuring they meet the highest quality and safety standards.
